

Last Will and Testament of HAROLD CABRERA

I, Harold Cabrera, of Springhill, Florida, revoke my former Wills and Codicils and declare this to be my Last Will and Testament ("Will").

Article I Identification of Family

I am not currently married to anyone.

The names of my children are Samuel Cabrera, Gabriela Toro and Victoria Elizabeth Cabrera. All references in this Will to "my children" are references to the above-named children.

The failure of this Will to provide for any distribution to my child(ren), Justin Cabrera, is intentional.

Article II Payment of Debts and Expenses

I direct that my just debts, funeral expenses, and expenses of last illness be first paid from my estate.

Article III Disposition of Property

Residuary Estate. I direct that my residuary estate be distributed to my Trustee, to be retained, managed and distributed under the provisions of the Article titled "Trust for Children".

Article IV Trust for Children

Purpose. The primary purpose of this Trust is to provide for the health, support, maintenance, and education of my children.

The provisions of this Trust also provide for the distribution of my residuary estate. If the Trustee is the beneficiary of any life insurance policy on my life, any pension plan, or any other contract, the proceeds of such policy, plan, or contract shall be treated by my Trustee as though received as a part of my residuary estate.

Use and Distribution. Until there is no living child of mine under the age of 32 years, the Trustee shall pay to any child of mine or descendant of any deceased child of mine, such sums from the income or principal as the Trustee deems advisable for such beneficiary's health, education,

support, and maintenance. Any such payments need not be equal between or among my children and descendants of deceased children either as individuals or as separate groups and their distributive shares shall not be charged for such distributions. In making such distributions, the Trustee shall take into consideration their respective needs and any and all other income and property that is known by the Trustee to be available to the beneficiaries for the above purposes. Any income not distributed shall be added to principal. When there is no living child of mine under the age of 32 years, the Trustee shall divide the Trust into equal shares, one share for each then living child of mine, and one share for the then living descendants, collectively, of each deceased child of mine.

The shares shall be distributed to my surviving children (and/or surviving descendants, in the case of a deceased child, by right of representation) and this Trust shall then terminate.

No Surviving Descendants. If at any time before final distribution of any trust created under this Will, there is not in existence anyone who is, or might become, entitled to receive benefits under the foregoing provisions of this Will, then any portion of my trust or estate then remaining shall be paid over and distributed outright to my heirs-at-law, their identities and respective shares to be determined under the laws of Florida, then in effect, as if I had died intestate at the time fixed for distribution under this provision.

Protection of Beneficiaries. The interest of any beneficiary under this Trust shall not be subject to assignment, anticipation, claims of creditors, or seizure by legal process. If the Trustee believes that the interest of any beneficiary is threatened to be diverted in any manner from the purposes of this Trust, the Trustee shall withhold the income and principal from distribution, and shall apply payment in the Trustee's discretion in such manner as the Trustee believes shall contribute to the health, support, maintenance, and education of the beneficiaries. When the Trustee is satisfied that such diversion is no longer effective or threatened, the Trustee may resume the distributions of income and principal authorized. If a separate Trust share had been designated for such beneficiary prior to such withholding by the Trustee, any undistributed income from such share shall be added to the principal of that beneficiary's share.

Nomination of Trustee. I nominate Lina Toro, of Spring Hill, Florida, as the Trustee. If such person or entity does not serve for any reason, I nominate Samuel Cabrera, of Spring Hill, Florida, to be the Sole Successor Trustee. If such person or entity does not serve for any reason, I nominate _____, of _____, _____, to be the alternate Sole Successor Trustee.

Additional Trustee Provisions. These additional provisions shall apply to the Trustee.

Resignation, Incapacity, or Death of the Trustee. Upon the resignation, incapacity, or death of the Trustee, Samuel Cabrera, of Spring Hill, Florida, is designated as the successor Trustee. Such designee shall become the successor Trustee upon acceptance of the terms and conditions of this Agreement. For the purposes of this Trust, "incapacity" means a legal disability or the inability to provide prompt and intelligent consideration to financial matters by reason of illness or mental or physical disability.

Resignation of Trustee. The Trustee, or any successor, may resign at any time by giving 60 days' written notice to all adult beneficiaries, and to a parent or guardian, if any, of each minor beneficiary of the Trust.

Successor Trustee. If the Trustee resigns or ceases to serve for any reason, and if the successor Trustee designated in this document, if any, fails or ceases to serve as Trustee, then the beneficiaries to whom such notice of resignation is given shall designate a successor Trustee by written notice to the resigning Trustee within 45 days after receipt of the notice of resignation. If a successor Trustee is not so designated, the resigning Trustee shall have the right to secure the appointment of a successor Trustee by a court of competent jurisdiction, at the expense of the trust. If a successor Trustee is appointed, such Trustee shall be bound by, and subject to, the provisions of this Trust.

Accounting. The Trustee shall provide an accounting to the Beneficiary (or Beneficiaries) on at least a(n) semi-annual basis. If a beneficiary has a "disability", the Trustee shall provide the accounting to a guardian or conservator of the beneficiary, if any.
