Subject: Termination of Contract and Notice of Legal Intent

Dear James Hogan, This correspondence serves as formal and final notice that the contractual agreement executed between We Buy Tampa Properties, LLC, represented by James Hogan ("the Owner"), and Harold Cabrera ("the Contractor"), concerning the project located at 1695 Oakdale Terrace, Seminole, Florida 33772, is hereby terminated effective immediately for cause. After a comprehensive review of performance and obligations, the Owner has determined that the Contractor has materially breached the agreement in multiple respects, including but not limited to:

1. Excessive Delay and Financial Losses

The Contractor failed to satisfactorily complete the project within the agreed timeline, resulting in substantial financial harm to the Owner. The Owner incurred elevated interest payments and carrying costs due to delayed performance and financing associated with private lender investors.

2. Deficient Workmanship and Code Non-Compliance

The workmanship provided by the Contractor and its subcontractors was materially substandard and did not adhere to applicable Florida construction codes or recognized industry standards. The Owner finds that numerous portions of the work require corrective measures at additional cost.

3. Improper Materials and Unprofessional Execution

The Contractor exhibited improper ordering and use of materials (including drywall installed in an unprofessional manner), resulting in waste, inefficiencies, and direct financial losses.

The Owner deems this conduct inconsistent with professional construction practices. Considering the foregoing, the Owner hereby terminates the agreement for cause and reserves all rights and remedies available under Florida law and pursuant to the contractual agreement. Should an amicable resolution not be reached, the Owner will proceed with the following actions without further notice:

1. File a formal complaint with the Florida State Attorney's Office regarding potential fraud and breach of contract.
2. Submit a claim to the Florida Homeowners' Construction Recovery Fund (the "Recovery Fund")
3. File a complaint with the Better Business Bureau (BBB); File a complaint with the Florida Department of Business and Professional Regulation (DBPR) regarding licensing and professional standards
4. Initiate a civil lawsuit in Pinellas County Small Claims Court in the amount of \$8,500, seeking reimbursement for documented direct losses and damages; and Pursuant to successful small claims resolution, initiate a broader civil action seeking full recovery of damages, interest, and harm caused to the business and its stakeholders. In all such legal proceedings, the Contractor will be required to provide full documentation of all project-related expenditures, labor charges, materials, and any other financial transactions related to the work. Please note that this action is not taken due to personal animosity or ill-will toward the Contractor. Rather, this decision is a business imperative – the Owner must protect its investors, business partners, and the financial integrity of We Buy Tampa Properties, LLC, and restore losses incurred in connection with this project. Nonetheless, the Owner remains willing to resolve this matter amicably, to forego further escalation, and preserve a professional and respectful relationship—provided that the Contractor cooperates with the wind-up process and accepts the termination on the current terms.

Sincerely, James Hogan

General Manager
