Scope of Services

New Smyrna Beach Utilities is seeking a quote from a licensed and insured roofing contractor to remove and replace the existing metal roof

approximately 100 ft x 50 ft located at 3119 SR 44 New Smyrna Beach Florida 32168. The contractor shall provide all labor, materials, tools, supervision and permits. The contractor's bid shall be based on actual field measurements. All work will follow applicable building codes and regulations.

Scope overview:

1. Remove and dispose of existing metal panels.
2. Install new 26 gauge 36" galvalume panels.
3. All work is to be completed during normal business hours Monday through Friday 7:00 am to 3:30 PM.
4. Contractors' safety will be observed for compliance with local, State, and federal standards. At no time will NSBU staff be seen as directing a contractor's job while attempting to maintain safe compliance. It is the contractor's duty to maintain safe control of their working environment. Applicable training must be attained before starting work to meet safety standards.

A mandatory site visit is scheduled for September 22, 2026, at 9:00 A.M. Location: 3119 SR 44, New Smyrna Beach, FL. 32168
